

Understanding Indigenous Economic Development in Northern, Rural, and Remote Settings: November 24th and 25th, 2010

Sponsors

We would like to acknowledge the generosity of our sponsors for the *Understanding Indigenous Economic Development in Northern, Rural, and Remote Settings* workshop. In particular, we wish to thank the Office of Research for providing funding support for the workshop. We also express our deepest appreciation to the First Nations Centre for providing funding to support the travel and accommodation costs of some of our First Nations representatives from around northern BC.
