

UNBC LEADERSHIP AWARDS

Valued at \$2,000.00 each, these awards are available to students who are entering an undergraduate program at the University of Northern British Columbia immediately upon graduation from high school. As one of Maclean's magazines 'Leaders of Tomorrow', UNBC is committed to rewarding those students who have made an effort to balance their academics with leadership activities – both within their school and their community. Selection of the recipients will be based upon strong student leadership, community involvement and academic proficiency.
