I have confirmed my lender selection above and have specified the loan amount I wish to borrow for the enrolment period noted above. I understand that by signing below I irrevocably authorize the Awards, Financial Aid & Student Employment office at the University of Northern British Columbia to withdraw money from my UNBC student account if the US Department of Education requires that the University of Northern British Columbia return Title IV (U.S. Stafford Loans) Funds. This may occur if I withdraw from my studies at UNBC. If this results in an outstanding balance owing on my UNBC student account, I will pay the outstanding balance immediately. I agree that failure to pay any outstanding balances may result in the loss of privileges and services outlined in the University Calendar regarding unpaid fees and that my student account will be subject to the University's collection policies.
