

CAREERS IN LOCAL GOVERNMENT

Local Government Management Internship Opportunity

1 Year Program (starting May/June 2009)

What's your career path?

1. Ever wondered how local government in B.C. works?
2. Thought about how to best use your skills and education?
3. Been looking for a way to make a difference in your community?

If you've answered yes to any one of the above questions, you may be interested in an internship program opportunity!

Internship opportunities are available in select BC host local governments:

- To explore local government first hand
- Learn about governance and local government operations from expert administrators.
- Gain work experience across departments by working with a mentor who is a senior manager in your host local government.

Internship Positions offer:

- Challenging & appealing custom-designed work plan
- 1 year learning opportunity
- Competitive wages
