You are eligible if you are working for your Employer for at least 18 hours per week.

Earnings means regular income from your employer, excluding overtime, commission and bonus payments.

You are eligible to enrol for coverage on the date you begin your employment.

Your coverage will take effect as of the date you become eligible to join the Plan, provided you apply within 31 days following such date. If you do not apply within 31 days, or if you had been previously declined for coverage for reasons other than spousal coverage elsewhere, satisfactory evidence of insurability will be required.

If you are absent from work (other than for vacation or a legal holiday) on the day your coverage or any increase in your coverage would normally take effect, such coverage will not take effect until you return to work.

ELIGIBILITY PROVISIONS

EMPLOYEE GROUP TERM LIFE INSURANCE

BENEFIT SCHEDULE

Amount

2 x annual earnings rounded to the next higher \$1,000.00, if not already an even multiple of \$1,000.00, to a maximum of \$500,000.00.

Evidence of insurability satisfactory to Great-West Life is required for that part of your Life Insurance amount over \$500,000.00.

Benefits reduce 50% at age 70 and terminate at age 75.

Optional Coverage

You and/or your spouse can elect to become insured for an optional amount of Life insurance in increments of \$10,000.00 to a maximum of \$500,000.00 for each of you. The total amount of insurance including basic, additional and optional amounts may not exceed \$1,000,000.00. Evidence of insurability is required for all Optional coverage.

All optional coverage will terminate on the earlier of retirement or the Traditional Retirement Date; dependent spouse optional amounts will terminate on the earlier of the date your spouse attains age 65 or the date you cease to be insured under the Group Policy.

If you die while insured for this Benefit, the amount of life insurance shown in the **BENEFIT SCHEDULE** for your class will be payable to your designated beneficiary. However, if you die by suicide, while sane or insane, no amount will be payable for that part of your life insurance that has been in force for less than 2 years for which evidence of insurability has been required.

You have the right to change any beneficiary already appointed, subject to any statutory restrictions.

EMPLOYEE GROUP TERM LIFE INSURANCE

Premium Waiver

If you are an active employee and become totally disabled prior to the Traditional Retirement Date for six consecutive months, your life insurance will continue with no premium payments required. You will be considered totally disabled if you satisfy the definition of disability described under the Long Term Disability benefit provision and Great-West Life has accepted liability for your Long Term Disability claim. Otherwise, you will be considered totally disabled if, as a result of sickness or accidental bodily injury, you are unable to engage in any gainful employment or occupation for which you are reasonably qualified by training, education or experience.

However, you must report your disability to Great-West Life within 1 year from the commencement date of disability.

The amount of insurance continued under the Premium Waiver shall be determined on the last day of active employment.

Premium Waiver ceases on the earliest of the date you:

- cease to provide written proof of your disability satisfactory to Great-West Life,
- fail to submit to a medical examination by a physician appointed by Great-West Life, or
- reach the Traditional Retirement Date.

EMPLOYEE GROUP TERM LIFE INSURANCE

Conversion Privilege

When your coverage terminates, you have 31 days to convert all or part of your life insurance subject to a maximum of \$200,000.00. Medical exams and evidence of insurability will not be required.

If your coverage terminates because:

- the EMPLOYEE LIFE INSURANCE BENEFIT is cancelled under the group policy,
- your class under the group policy is cancelled, or
- the group policy is cancelled,

you can convert to an individual form of insurance if you have been continuously insured for 5 years. The individual policy will be one of the standard life insurance conversion forms made available by Great-West Life. There is a maximum of 3 times the maximum pensionable earnings on cancellation date under the Canada Pension Plan or Quebec Pension Plan.

In all cases, the amount which you can convert will be reduced by any amount of group life insurance for which you become eligible within the 31-day conversion period.

Extension of Coverage

If you die during the 31-day conversion period, Great-West Life will pay your beneficiary the amount you could have converted to individual insurance.

Termination	The earlier of your retirement date or the Traditional Retirement Date.

Evidence of Insurability satisfactory to Great-West Life is required for amounts of monthly income which exceeds \$8,000.00.

LONG TERM DISABILITY INCOME

Total Disability Benefit

If you become totally disabled while insured for this benefit, incur a loss of time from work and a loss of earnings, and remain disabled for longer than the Benefit Payment Waiting Period, you will be eligible for the monthly disability income payments described below and no premium will be required for this benefit.

Your disability, due to sickness or bodily injury, must require the regular and ongoing care of a legally qualified physician appropriate to the sickness or injury and must prevent you:

- for the first 24 months of benefit payments, from performing the substantial duties of your own occupation, and
- thereafter, from performing any gainful occupation for which you are or may become reasonably qualified by training, education, or experience, and which will enable you to earn at least 66 2/3% of your inflation-indexed, pre-disability earnings.

Great-West Life will monitor the quality and appropriateness of medical care and also reserves the right to refer you to a specialist for proper ongoing treatment.

Integration of Benefits

Your monthly benefit will be reduced by any disability or retirement income for which you are eligible as a result of your disability under the Canada Pension Plan or Quebec Pension Plan (including Primary Income benefits only), Workers' Compensation Act, or similar legislation.

In no event shall your total amount of income from all sources as a result of your disability (other than an Individual Disability Policy) exceed the All Source Maximum shown in the **BENEFIT SCHEDULE**. Specific details are in the group policy.

LONG TERM DISABILITY INCOME

Rehabilitation Programme

While you are receiving Long Term Disability benefits, if you participate in an approved rehabilitation programme which is supervised by a physician, you may still be considered totally disabled, subject to the continued approval of Great-West Life.

Great-West Life benefit payments under the group policy will be reduced by 50% of your monthly net (after tax) earnings from the rehabilitation programme.

Your total amount of income from "all sources", including remuneration from the rehabilitation programme, must not exceed 100% of your inflation-indexed, pre-disability net (after tax) earnings.

Benefit Payment Termination

You will stop receiving benefits on the earliest of:

1. attainment of the maximum age as specified under Termination in the **BENEFIT SCHEDULE**;
2. failure to satisfy any of the following:
 - a. furnish written proof satisfactory to Great-West Life of your disability,
 - b. submit to a medical examination by an independent physician of Great-West Life's choice,
 - c. accept medical treatment by a specialist covering your disability when requested by Great-West Life,
 - d. receive medical supervision and treatment,
 - e. enter into a rehabilitation programme considered appropriate by Great-West Life and its medical advisors,
 - f. agree in writing to reimburse Great-West Life, following written request to do so, for any amounts paid by Great-West Life that are recoverable from a third party;
3. commencement of any occupation for wage or profit other than as specifically described in the group policy;
4. end of disability as outlined in the group policy; or
5. death.

LONG TERM DISABILITY INCOME

Extension

If your insurance terminates while you are totally disabled, Great-West Life will pay the same amount as if insurance had not terminated if:

1. you are receiving monthly benefits or are completing the Waiting Period for benefit payments,
2. a physician certifies that you were totally disabled when insurance terminated, and
3. you continue to be totally disabled.

However, there is no extension if Great-West Life receives "late notice" of disability. "Late notice" means more than 6 months from the termination of your insurance.

Recurrent Disability

1. If you have satisfied some but not all of the Benefit Payment Waiting Period, return to work for up to a maximum of 30 days, and subsequently become disabled as a result of the same or related disability, then Great-West Life shall consider the subsequent period of disability as a continuation for the purpose of satisfying the Benefit Payment Waiting Period. Only one period of continuation will be allowed per disability.
2. If you have satisfied the Benefit Payment Waiting Period and received Monthly Integrated Benefits, return to work for up to a maximum period of 180 days, and subsequently become disabled as a result of the same or related disability, then Great-West Life shall consider the subsequent period of disability as a continuation, and no new waiting period shall be required.

LONG TERM DISABILITY INCOME

Limitations

1. Great-West Life will not pay benefits for any disability which directly or indirectly results from:
 - a. intentionally self-inflicted sickness or injury;
 - b. any act of insurrection or war, or participation in a riot;
 - c. your commission or attempted commission of any criminal offence.
2. No amount will be payable for any period:
 - a. during which you are in prison; or
 - b. during a leave of absence for any reason if you had arranged the leave with your Employer prior to the commencement of disability.
3. For a period of disability due to the chronic use of alcohol or drugs (prescribed or otherwise) or the use of any hallucinogen, benefits will be payable for a maximum of 12 months and only if you are actively participating in a medically supervised rehabilitation programme approved by Great-West Life. Great-West Life will also pay your cost for such a programme.
4. No amount is payable for a total disability due to a condition for which you were treated or attended by a physician, or for which prescription drugs were taken, within a 3-month period prior to the effective date of your insurance. This limitation will not apply after you have performed all the duties of your regular occupation on a full-time basis for a 12-month period after the applicable effective date.

GENERAL HEALTH INSURANCE PROVISIONS

General Health Limitations

No amounts will be paid by Great-West Life under the group policy for charges:

8. for time spent travelling, broken appointments, transportation costs or advice given by telephone or by any other means of communication; or
9. that are in excess of reasonable and customary charges for the least expensive treatment that is medically appropriate.

Right to Recover

If Great-West Life makes any payment of benefits to you which you have the right to recover from any other person, Great-West Life reserves the right to recover the amount of such payments. You will be expected to do everything necessary within your power to secure such rights of recovery.

Coordination of Benefits

Benefit payments will be coordinated with any other plan or arrangement so that the total amount received from all sources will not be greater than the actual expense incurred.

In-Hospital Indemnity

In the event an Insured Person sustains an injury which results in a payment being made under the Schedule of Losses, excluding the Loss of Life Benefit and the Insured Person is hospital confined as an in-patient and is under the care of a legally qualified and registered physician or surgeon other than himself, ACE INA Life Insurance will pay for each full month, one percent (1%) of the **Insured Person's Principal Sum, subject to a maximum benefit of \$2,500**, or one-thirtieth of such monthly benefit for each day of partial month, retroactive to the 1st full day of such confinement but not to exceed 365 days in the aggregate for each period of hospital confinement.

Cosmetic Disfigurement Benefit

If, an Insured Person suffers a third degree burn in a *non-occupational* accident, ACE INA Life Insurance will pay a percentage of the Principal Sum depending on the area of the body which was burned according to the following table:

Body Part	(A) Area Classification	(B) Maximum allowable % for Area Burned	(C) Maximum % of Principal Sum Payable
Face, Neck, Head	11	9%	99%
Hand & Forearm	5	4.5%	22.5%
Either Upper Arm	3	4.5%	13.5%
Torso (Front or Back)	2	18%	36%
Either Thigh	1	9%	9%
Either Lower Leg (below knee)	3	9%	27%

The maximum percent of Principal Sum Payable (C) is determined by multiplying the Area Classification (A) by the Maximum Allowable percent for Area Burned (B). In the event of a 50% surface burn, the Maximum Allowable percent for Area Burned (B) is reduced by 50%. This table only represents the maximum percent of the Principal Sum payable for any one accident.
