250-960-6374 (F)

### UNBC Students Wishing to use the Northern Sport Centre

UNBC Prince George Students taking one or more courses at the UNBC Prince George campus pay for their membership at the Northern Sport Centre (NSC) through their tuition fees each semester.

The Northern Sport Centre (NSC) will allow Registered UNBC Prince George Fall students to access their UNBC fitness membership at the NSC (fees included with their tuition) from **Sept 1** to the first day of classes each year provided they show their **valid UNBC student card** with the **valid expiry date indicated** (ie. Sept 2009 = 2009-2010 sticker) to the NSC Reception Staff. If students do not show their valid UNBC student card, they will not have access to their UNBC fitness membership at the NSC until such time that they can produce their valid UNBC student card.

UNBC students will have to sign the daily waiver form each time they come in and show their valid UNBC student card to the Reception staff from Sept 1 until the first day of classes. If the student does not have their valid student card during this time period when they come to the NSC, they will not have free access. If they wish to use the facility at that time, they can pay the appropriate drop in fee (normally \$8.00 for students per visit).

Note: Prior to Sept 1 UNBC students will need to buy a NSC membership or pay the appropriate drop in rate (students normally pay \$8.00 for a drop-in fee) until Sept 1. After the 1<sup>st</sup> day of classes NEW UNBC student members (new to the NSC) need to show their valid UNBC student card to sign up for their membership. They will have to fill out the NSC membership form and have their finger reference taken to activate their membership. Returning NSC members will have already completed the sign up process and their pass will automatically activated by the UNBC system.

For more information on the Northern Sport Centre, our Hours of Operation, Fitness Programs or FREE "GroupEx" Fitness Classes, please check out the Website at:
