## Account Executive Position

### Duties and Responsibilities

Goldstream Publishing Inc. is a publishing and software company that is seeking an account executive to lead its integrated advertising program in 2012. The successful candidate will work with the web development team, the production co-ordinator and the publisher to co-ordinate sales programs.

The position offers a wide range of opportunities, working with decision makers in the publishing, business, tourism and government sectors. There will also be occasional travel required for conferences and sales trips.

The company is positioning itself for rapid growth through new map products and a new mobile application called Map Jungle. This is an excellent opportunity for an ambitious individual to rise with the firm as the business grows.

### *Skills Needed:*

- Reliable and well organized
- Comfortable using computers and the internet
- Strong inter-personal/customer service skills
- Sales or customer service experience preferred
- Interested in being part of a growing company

### *Responsibilities*

- Co-ordinate integrated advertising program from The Angler's Atlas
- Work with advertising clients to ensure delivery of creative to production
- May include sales for other products, such as The Milepost and Map Jungle.
- Primary contact for office communications

Please send a résumé and cover letter to the Publisher, Sean Simmons. His email address is [sean@anglersatlas.com](mailto:sean@anglersatlas.com). He can also be reached by phone at (250) 613-7727.

*Submission deadline is Friday September 16 at 4:30 pm.*
