

Part-Time Junior GIS Technician

Prince George, BC

THE COMPANY

Triton Environmental Consultants Ltd. is an employee-owned environmental consulting firm with close to 30 years of experience responding to the environmental needs of resource developers across all sectors as well as all levels of government. Our clients look to us to provide a wide range of scientific, technical, and management expertise that merge to provide practical environmental solutions. Our offices are geographically situated in Vancouver, Prince George, Terrace, Kamloops, Fort St. John, and Calgary to provide effective service delivery within Western Canada. Our company is dedicated to providing scientific, technical, and managerial excellence. Triton's multi-disciplinary team comprises environmental professionals specializing in aquatic and terrestrial biology, environmental assessment, environmental auditing/monitoring, and resource management.

THE OPPORTUNITY

The Junior GIS Technician under direct supervision manages the creation of maps and graphs, using GIS software and related equipment. The Junior GIS Technician compiles geographic data from a variety of sources including field observations, satellite imagery, aerial photographs, existing maps, and censuses.

In return we will provide you with a challenging and supportive working environment, and a management team dedicated to promoting your personal and professional growth. We offer a competitive wage.

Qualifications:

- Bachelor's degree or technical diploma in a relevant area such as Computer Science or Geography, with a GIS diploma
- Working knowledge of ARCGIS, CAD and database software
- Ability to work independently, manage time and workload efficiently, to ensure projects

are completed on time; well organized

- Must be detail oriented, with a high degree of accuracy when working with data
- Builds effective interpersonal relationships and has an ability to work well with others on the team, creating a positive and productive work environment
- Strong written and oral communication skills
- Ensures all work is conducted in an ethical and prudent manner
- Physical demands include standing and sitting in offices
- Valid Class 5 general Drivers Licence

HOW TO APPLY:

If this opportunity sounds like you, and you are serious about joining a progressive team of environmental consultants, please email us your resume and cover letter, quoting the competition number in the subject line and stating the website you saw our job posting on.

Email: HR-PrinceGeorge@triton-env.com

Competition: 2014-027

Closing Date: July 4, 2014
