

Kinetic Energy Health & Wellness Centre, located in Kamloops BC is looking to hire a physiotherapist. Opening November 2014, we will be offering quality care in a new state of the art facility. With a full time Physician, Kinetic Energy will also offer Registered Massage Therapy, Physiotherapy, Chiropractic Care, Acupuncture, Personal Training and Fitness Classes. Our location offers free parking, lots of sunlight and good signage.

Kinetic Energy Health & Wellness Centre promotes healthy living and provides patients the power to be in control of their own health; not only by our treatments, but by our patient education and our way of life. We are looking for energetic individuals who live a healthy lifestyle and have some sort of athletic background. The appropriate therapist will have a positive outlook and demeanor that gives clients confidence in their abilities.

Kamloops is a town with many blue collar workers and nearly everyone who resides here has extended benefits. We offer the convenience of direct billing which encourages people to utilize their benefits. Currently in Kamloops, regardless of where you call, there is a 3-4 week wait to see a physiotherapist. We feel confident that you will be at full capacity in less then 6 months. If you choose to come work at Kinetic Energy Health and Wellness Centre, all advertising, supplies and equipment you may need are included. We are committed to providing a positive, up-beat working environment. A place where everyone enjoys to come. The emphasis is on team work and positive choices. Our website is currently under construction and will be available shortly.

About Kamloops:

Kamloops has about 90,000 residents. There is no such thing as rush hour and the climate offers all 4 seasons. The city is laid out like a spider, with Kinetic Energy Health & Wellness Centre being in the center of that spider. There is very little crime in Kamloops and it is a great area to raise a family. Kamloops is known as the tournament capital of BC because of the many new soccer fields, baseball diamonds, BMX and mountain bike ranch, 13 golf courses, 5 hockey arenas, indoor soccer turf, roller derby arena and an outdoor running track. We invite you to do your own research on Kamloops and ask us any questions that may arise.

If you are a winter enthusiast:

There are 2 ski hills within an hour away, Sun Peaks and Harper Mountain, and an addition 3 hills if you drive a little further, Revelstoke, Silver Star and Big White. Whistler is a 3.5 hour drive. Winter weather in the city of Kamloops is quite mild, with the surrounding mountains getting alot of snow. Average temp in the city during winter is around 0-5 degrees.

In the summer:

There are endless trails to hike and mountain bike, mountains to climb and lakes to swim, waterski, or wakeboard. Kamloops is home to the Thompson River and many people enjoy the sandy beaches along the rivers edge. Shuswap Lake and Kalamalka Lake are also popular summer spots for camping and enjoying some fun in the sun. Average summer temp is 30 degrees (dry heat).

Kamloops is located in the Okanagan of British Columbia, meaning we are a prime location for gardening! There are many award winning wineries in the Kamloops/Kelowna area and many people grow their own fruits and veggies in the summer.

If you think working at Kinetic Energy Health & Wellness Centre might be a good match for you, please contact via email at kamloopskineticenergy@gmail.com and we can set up a skype or facetime chat and go from there! Looking forward to hearing from you.
