

## Entry Level Management/Entrepreneur Position with Extensive Training Program

Apply to day or request more information regarding this opportunity at [bcopes@collegepro.com](mailto:bcopes@collegepro.com)

Position: Franchise Owner/Entrepreneur  
Company: College Pro

### Company Overview:

College Pro has an opening in our 2015 Entrepreneurship Program in Prince George.

### Benefits:

1. World class training and coaching in our Entrepreneurship Program in all relevant skills to run a business: marketing, selling, financials, interviewing, coaching, leadership, conflict resolution, problem solving.
2. Opportunity to earn good money – 2014 Average Earnings in British Columbia for a 1<sup>st</sup> Year Entrepreneur was \$19,097.

College Pro has been North America's original and leading organization in student business development for the last 40+ years. We paint homes in the summer months and all our student owners– who run their own franchise business– are young developing entrepreneurs. Each year we paint an average of 30,000 homes in communities throughout North America.

We operate in 29 U.S. states and in 7 Canadian provinces. Every year we recruit, select, and extensively train several hundred franchise owners to deliver a quality job and customer experience, run their own businesses, and uphold the promise of the College Pro brand.

### Responsibilities:

Franchise Owners are accountable for the overall success of their business. Specific duties include:

- Create and execute a business plan
- Design and implement the marketing plan of the franchise
- Conduct estimates and sales
- Manage the finances of the business, tracking revenue and expenses
- Human Resources: recruit, interview and select student employees
- Coaching and Leadership: training and managing employees during the summer
- Customer Relations

■ Project Management

Learning and Development:

The core purpose and mission of College Pro is to provide exceptional management and leadership training to young entrepreneurs through real-world business experience.

Franchise Owners receive extensive support and professional training in all skills required to run their business successfully. They attend class-room sessions, receive in-field coaching and have a weekly meeting with their Business Coach to set and review goals for their business.

Term/Start Date:

February, 2015 – May 1, 2015: Part time commitment (10-20 hours a week)

May 1, 2015 – September 1, 2015: Full time commitment

Compensation:

Earnings are dependent on performance. Expected range is \$7,000 - \$30,000.

Required Abilities and Preferences:

Candidates should...

- Possess strong communication skills
- Manage moods and emotions during stressful times
- Be goal-orientated
- Have shown a preference for leadership positions, and demonstrated success working with other people
- Display a high level of organization
- Possess a strong work ethic
