

FINANCIAL CONTROLLER

Adam Alexander & Associates has been retained by KGHM International (Ajax) to assist them in their search for a Financial Controller. This challenging and rewarding career opportunity is a key member of the Ajax management team and will appeal to a professional that is knowledgeable and experienced in the practices and compliance requirements associated with IFRS and staged work environment from construction to project phases to mining operations.

Based in the Kamloops office and reporting to the General Manager, the primary mandate of the position will be to establish, implement and maintain the operations accounting functions in accordance with established corporate and site accounting policies and practices.

The challenging mandate of this position will appeal to the professional who possess a relevant university degree, preferably an accounting designation and a minimum of 5 years post accounting designation experience. The ideal candidate will also possess cost accounting/management experience with a company involved in capital construction projects (preferably in mining but not necessary), a thorough knowledge of financial and accounting practices and procedures, and government regulations and reporting requirements.

Other key requirements include excellent communication skills, strong organizational skills, a high degree of integrity, effective time management skills, an ability to establish and maintain effective relationships with internal and external contacts, an ability to work collaboratively as a team in providing strategic advice to senior management, an attention to detail and accuracy and an excellent problem solver. The ability to respond quickly to changing priorities and influence others is imperative.

This is an outstanding challenge and opportunity for an accomplished financial management professional. Our client offers an exceptional compensation package.

If you possess the necessary qualifications and skills, please forward your cover letter, resume and salary expectations, in strictest confidence, by March 1, 2013, to:
