

Internship opportunities

What ?	Forestry & Wildlife Management Internship
Where ?	British Columbia, Canada
When ?	Available immediately

The internships includes:

- Forestry management
- Mechanical on Horses and Horse logging
- Silva culture and planting
- Wildlife studies
- Habitat Enhancement

Qualifications:

- Level C1 English skills (oral, writing, reading)
- Take responsibility and initiative
- Team player
- Willing for participation on the ranch chores
- Ability to work on your own
- Interest to live in the wilderness
- Suitable visa to do an internship

The Chilcotin Holidays Guest Ranch (www.chilcotinholidays.com) is a British Columbia four season Guest Ranch, and is located in the Chilcotin Mountains about a 6 hours drive north of Vancouver, through the Fraser Canyon past rivers, pristine lakes and forest. Our herd of over 40 friendly "Cayouse" horses are ready to take our guests up into the alpine and are suitable for all levels of experience.

Forestry and woodlot are a valuable resource for the Chilcotin Mountain Area. Considering logging practices, real management efforts have to be made in order to insure the sustainability of timber production.

Combined with unique experience of western lifestyle, we offer internships in a small business which operates with international partners in Forestry & Wildlife Management and the opportunity for you to write your Bachelor thesis in a related field.

Our students are getting room and board for free.

Send your application to:
