

Career Connect and Sponsorship

Join us at our upcoming Career Fairs and Industry Nights!

These events provide an excellent opportunity to meet a wide range of students and alumni, discuss career opportunities, and conduct on-the-spot interviews.

The Fall and NorthWorks (Spring) Career Fairs are the biggest employment events on campus, with tables throughout the main building, giving you an opportunity to see students from every faculty and level, building a rapport with them that will help cement you as an option when they graduate!

Registration for Career Fairs includes:

- One 6-foot table with tablecloth
- Two chairs
- A light breakfast and full lunch for two representatives (additional representatives may come for an additional fee)

Please note there is a maximum of three people per table (you can rotate folks during the day)—only one table per employer through regular registration. Please review our sponsorship section if you would like more than one table.

Our Industry events include a mix of formats, with most creating a space for you to meet students in a focused area of study, giving you a target demographic to meet and engage with. There are also panel presentations with alumni from the programs or related disciplines.

Registration for Industry Events includes:

- One 6-foot table with tablecloth
- Two chairs
- Light meal curated by the UNBC Food Services team
