

**Community Development Institute  
Speakers Series**

The Community Development Institute at UNBC is pleased to announce that Mr. Graham Kedgley, British Columbia's former Coal Co-ordinator, will join us for the spring 2008 Community Speaker's Series event. The title of Mr. Kedgley's talk is "Lessons from the development of Northeast Coal". Mr. Kedgley's talk will centre on his experiences as British Columbia's Coal Co-ordinator and lessons that may be applicable to future mining development in Northern BC.

These public talks will be held:

**Prince George  
Tuesday, April 08, 2008  
room 7-150, UNBC Prince George campus**

and in

**Smithers  
Wednesday, April 09, 2008  
Smithers campus of Northwest Community College.**

**Talks start at 7:00 pm.**

The Community Speakers Series is co-sponsored by:

The Town of Smithers,
