

# Northern BC Housing Conference: Housing Solutions for Changing Communities

November 17-18, 2016 in Prince George

## Pre-Fabricated Building Components:

**Chris Drouillard**

Homeowner and Marketing Consultant,  
Trinity Post and Panel

**Ken Harper**

President and CEO, Trinity Post and Panel

**Steve Tresierra**

Chief, Whispering Pines/Clinton Indian  
Band

Building systems, including pre-fabricated wall panels and roof trusses, can speed up construction time and enable builders to get more product on the market faster. This session will look at the opportunities and challenges of using pre-fabricated building systems in northern BC to complement or as an alternative to traditional stick-built approaches.
