BONNIE DOCHERTY

Human Rights Program, Harvard Law School

***Forging Links: Integrated Approaches to Protecting
Human Rights and the Environment***

Bonnie Docherty is a lecturer on law and clinical instructor at the International Human Rights Clinic in Harvard Law School's Human Rights Program and a senior researcher in the Arms Division of Human Rights Watch. At the Clinic, her areas of focus include human rights and the environment, international humanitarian law, and freedom of expression. Docherty is also an expert on international humanitarian law, particularly involving cluster munitions and civilian protection during war.

Her legal publications include: "Confronting a Rising Tide: A Proposal for a Convention on Climate Change Refugees," 33 Harvard Environmental Law Review 349 (2009) (with Tyler Giannini); "The Time is Now: A Historical Argument for a Cluster Munitions Convention," 20 Harvard Human Rights Journal 53 (2007); "Challenging Boundaries: The Arctic National Wildlife Refuge and International Environmental Law Protection," 10 NYU Environmental Law Journal.
