## GOVERNING LEGISLATION

The University of Northern British Columbia was established under the *University of Northern British Columbia Act [SBC 1990] c.28, (July 1990)*. The *UNBC Act* was repealed July 15, 2002, after which time UNBC was, and is, governed under the provisions of the *University Act [RSBC 1996] c.468 ("the Act")*.

These Board Rules replace former Board Rules (November 2023). Terms of Reference for the *Investment Advisory Committee* and the *University Advancement Advisory Board* are dealt with separately and are attached to these *Rules* as Appendices I and II respectively.

### 1. AUTHORITY TO ENACT RULES

- 1.1 These Rules are enacted by the Board under the authority granted in the *University Act* [s. 27(2)(a)].
- 1.2 Amendments to these Rules require proper notice of Motion as provided herein and require two-thirds support of the Members present and voting.

### 2. INTERPRETATION – THE UNIVERSITY ACT AND ROBERT’S RULES OF ORDER

- 2.1 In the event of a conflict or discrepancy between these Rules and the provisions of *the Act*, *the Act* will prevail.
- 2.2 If any procedural matter is not addressed, or is not adequately addressed by these Procedures, the Board will rely on Robert’s Rules of Order (latest edition), unless the Board Chair proposes reasonable alternate procedure(s) which are acceptable to at least two-thirds of the voting members present.

### 3. BOARD MEMBERSHIP

- 3.1 Membership on the Board is determined by *the Act* [s. 19(1)].

#### **Duty to Act in the Best Interests**

- 3.2 Board Members must act in the best interests of the University [s.19.1].

### **Attendance and Preparation**

- 3.3 Board Members are expected to prepare for and attend all Board Meetings, and all meetings of any Committee(s) to which they have been assigned. The *Act* provides [s.22(2)] that, unless excused by resolution of the Board, a member who does not attend at least half of the regular meetings of the Board in any year is deemed to have vacated his or her seat. The Governance and Human Resources Committee in its Terms of Reference is tasked with monitoring Member attendance.
- 3.4 Board Members are expected to respond to notices of meetings, and to indicate when they are not able to attend a meeting in person, or via video or teleconference.
- 3.5 Voting or attendance by proxy is not permitted.

### **Removal from the Board**

- 3.6 Removal from the Board is addressed in s. 22 of *the Act*, which includes at s. 22(1), provision for the removal of a Board Member for cause, and at 22(2) the provision that:

*Unless excused by resolution of the board, a member who does not attend at least half of the regular meetings of the board in any year is deemed to have vacated the member's seat.*

- 3.7 In the event that any member is subject to the provisions of s. 22(2), the Board Chair will contact the Member to determine whether the Member wishes to continue to serve. If the Member wishes to continue to serve, a resolution will be taken to the Board to determine whether the Member's absences may be excused.

## **4. ELECTION AND ROLE OF THE CHAIR AND VICE-CHAIR**

- 4.1 The Chair and Vice-Chair of the Board will be elected annually from among the Order in Council appointees, in June using an approved electronic survey tool or other emerging technologies deemed appropriate by the Governance and Human Resources Committee. The result of the election(s) will be announced at the last regular scheduled Board meeting in June each year [s.19.2(1)].
- 4.2 In the event of a Chair resigning or being unable to fulfill the duties of Chair at any time during their term, the Vice-Chair will temporarily assume the role of Chair, and the Board shall hold an election for Chair as soon as

is practical to do so. A Chair elected under this section will hold the office for the duration of the term remaining of the Chair being replaced. A new election will then be held on the usual schedule as provided in s. 4.1 above.

- 4.3 In the event of a Vice-Chair being unable to fulfill the duties of Vice-Chair at any time during their term, the Board will hold an election for Vice-Chair as soon as practical to do so.

### **Election Process**

- 4.4 Prior to the June Board meeting, the University Secretary will put out a call for nominations and set the election date.

Advance nominations must be submitted in writing to the University Secretary no later than two weeks prior to the election date.

The University Secretary will confirm that nominees are willing to stand for the position prior to the election and ask them to submit a short written statement to the Board.

Before the last regular scheduled June Board meeting, the Office of University Governance will conduct the election of Chair and Vice Chair using the approved electronic survey tool, with the nominees' short statements to the Board being uploaded to the survey tool. Voting will be conducted by secret ballot. All voting members of the Board, including nominees, are eligible to vote. Advance voting is not permitted.

The results of the election will be declared at the last regular scheduled June Board meeting and noted in the minutes. The Chair and Vice Chair elect will assume their roles following the June meeting.

- 4.5 A Chair or a Vice-Chair may not serve for more than three (3) consecutive terms in their respective roles.

- 12.1 If members of the public or members of the University Community wish to make a presentation to the Board, they must submit a written request to the Board Chair via the Office of University Governance at least five (5) business days prior to a scheduled meeting of the Board. The requestor must indicate clearly the subject or issue the person or group wishes to address, and the name(s) and title or position, if applicable, of the intended speaker(s).

The Board Chair will consider *inter alia*, the relevance of the matter to the work and authority of the Board, the upcoming meeting agenda and priorities and, whether or not the Board has already addressed the issue. The Chair will determine whether and when a presentation will occur, whether the presentation will be heard in a Public or Closed session of the Board, the time to be allocated, and the number of speakers permitted. As a general rule, five (5) to ten (10) minutes will be allocated and one (1) speaker will present.

At the discretion of the Chair, a brief amount of time may be allowed at the meeting, for questions from the Board, to the Presenter(s). Presenters may include questions to the Board in their presentation, or leave materials or questions with the Board, but neither the Board Chair, nor Members of the Board will respond to questions from a Presenter at the time of the presentation. The Board Chair, in consultation with the Board, will determine whether and how to respond.

The Chair will report any requests that are refused and provide a copy of the reasons for the refusal to the full Board, during the in-camera session of the Board meeting.

If quorum is not achieved at the expiration of the additional time allowed, the meeting will be cancelled.

### **Loss of Quorum During a Meeting**

- 13.4 If quorum is lost during a meeting, the Board Chair may either adjourn the meeting or suspend the meeting for fifteen (15) minutes, to allow the return or arrival of a sufficient number of members of the Board to restore

quorum. If quorum cannot be restored in the time allotted, the meeting will be adjourned.

- 14.2 Motions require the support of the majority of Board or Committee members present at a meeting, unless otherwise provided in these Procedures.

Balloted voting or elections shall be conducted by the Chancellor, or in their absence the President, or in their absence, the Provost or the Secretary.

The Office of University Governance is responsible for managing remote meeting technology, and ensuring a technological process exists to provide Board Members with secret ballots where needed and if requested.
- 14.5 The Board Chair has the same right to vote as other members of the Board, and in an equality of votes for and against a matter, the question is resolved in the negative, and the Chair shall so declare [s.26(3)].

- 14.6 A resolution in writing signed and approved by all members of the Board or a Committee entitled to vote on the resolution or motion at a meeting of the Board is as valid as if it had been passed at a meeting.

## **15. RECORDINGS and MINUTES**

- 15.1 Minutes will be taken by the Governance Officer - in accordance with the University's standards and best practices for minute taking. Motions and action items are to be recorded, as well as a brief summary of key points of debate and rationale. Any member may request that a specific point of concern or an objection be included in the minutes. Notation of approximate time spent discussing agenda items is recommended.
- 15.2 Audio and/or video of Board meetings may be recorded by the Governance Officer for the purpose of reference in completing the meeting minutes. Once meeting minutes have been approved, recordings will be deleted unless otherwise determined by a majority of the Board.
