

# Under the G for Green!

October 26 – November 6

Download a bingo card (or 3!) and put your energy-wise skills to the test.

UNBC UNIVERSITY OF NORTHERN BRITISH COLUMBIA

Under the G for Green! Energy-Wise Bingo Oct. 26 - Nov. 9

Board 1

Name: \_\_\_\_\_

B	I	N	G	O
Swap out a fluorescent light bulb for an LED bulb	Add a dry cotton towel to the dryer load for faster drying time	Vacuum the coils at the back of the fridge	Close the windows when the heat is on in your home	Grow some herbs indoors
Reach out to a friend you haven't spoken to in a while	Try one new local restaurant	Re-use paper eg. blank side for a week	Look up 'STARS' sustainability standard – share a fave fact	Bike or hike one new trail in your area
Find a copy of a utility bill for your house/apartment	Sell/donate an old item you no longer need	★	For one week, track where your waste goes (garbage, recycle, compost)	Lower the thermostat by 1-2°C before bed for improved sleep
Take a cooler shower to increase circulation and relieve muscle pain	Have an electronics-free hour before bed three times this week	Look up 'Passive House' – share a fave fact	Use a low-flow shower head	Visit a new park in your area – share a fave photo or moment
Read UNBC's 2019 Carbon Neutral Action Report – share a fave fact	Share a recommendation on social media for a fave local business	Re-purpose something no longer used/useful	Prepare one meal without stove or oven	Commute one day without your vehicle (bus, bike, walk, rollerblade event)

**How to Play:**

- Complete one or more lines on a board. Play all three boards if you're up for a challenge! Each completed board counts as one entry to win. A line is made by connecting five boxes in either a straight line or on a diagonal. Lines may make use of the 'free' star in the middle of the board.
- Keep evidence of each completed tile – a photo, video, receipt, screenshot, journal entry, scribbles, – it's up to you! Evidence will be used to determine a participant's eligibility and their number of entries. Be sure to submit evidence for each tile.
- To enter, email [energy@unbc.ca](mailto:energy@unbc.ca) with a photo and/or digital copy of your marked up board(s) and corresponding evidence for each tile. The first 15 verified participants automatically win a \$5 gift certificate from Degrees Coffee. They will also be entered in to the main draw.
- All verified entries will be entered into the main draw.
  - I would LOVE to share my stories and tile evidence with UNBC Marketing for current and future campaign promotion!
  - I wish to opt out of sharing my stories and tile evidence for UNBC Marketing purposes.

Play along at home and you could win!

Every completed line and photo evidence gets you entered to win great prizes!

UNBC students, staff and faculty from all campuses can play.
