Bachelor of Education Students help host Family Literacy Day!

Each year the UNBC Terrace B.Ed students participate in Family Literacy Day. The event this year saw 180 families come out to the event. Students had a variety of interactive displays which were well received and they were all happy to be part of such an important event.

Great work students!

"Targeting grades Kindergarten through 8 Classroom Champions brings Olympians, Paralympians and Olympic/Paralympic games hopefuls (Athlete Mentors) into the classroom using video lessons and live video chats. Focusing on their own personal journey athletes teach about the hard work of training, goal setting, competition and perseverance. These activities can be incorporated into the curricula through letter writing, reading, geography, math, technology, goal setting and leadership."
