**Students can take any course that transfers to UNBC in order to receive credits in this area. Check the BC Transfer Guide for these courses – www.bctransferguide.ca.

Concentrations: Associate of Arts Degrees with a concentration or specialization require a minimum of 15 credits in a single discipline; normally, 6 of these credits must be at the second-year level.

¹ Course equivalencies were determined through the articulation process and are listed on the BC Transfer Guide, www.bctransferguide.ca

Student will need to choose coursework appropriately so as not to receive duplicate Transfer Credit.

² Students need to choose coursework transferable to UNBC in order to receive credit in these areas.

³ Students need to verify they are completing approved University Transfer Credit coursework as per the BC Transfer Guide. Courses in the Creative and Performing Arts as well as Career program and other courses considered for the Associate degree may not be eligible for transfer credit to UNBC.

⁴ Must achieved a C- (60% at UNBC) or better for all Math transfer credit to use as a prerequisite for UNBC coursework.
