

WHITCOMBE, TODD
FACULTY - BOARD MEMBER

Dr. Todd Whitcombe is presently the Chair of the Department of Chemistry and Biochemistry. He has served on the Senate, the Senate Committee on Academic Affairs, the University Promotion and Tenure Committee, and Chair for both the Senate Committee on the University Budget and Senate Committee on Academic Appeals. He has also been a past member of the Board of Governors (2002-2005) and Vice-President of the Faculty Association (1995-2000).

He is an active member of the Prince George community, serving on a number of Boards and creating a variety of camps and programs. Having spent 9 years as the Chair of the Senate Committee on the University Budget, he has the expertise to bring to bear on financial issues. He can ensure issues raised by faculty are heard by the Board of Governors.
